HSIL LAUNCHES SNOWCREST AIR COOLERS

The New Range of Hindware Snowcrest Air Coolers from HSIL comes with Changeable Color Panels.

Keeping up with the tune of change, HSIL Limited recently launched their exclusive range of trendy Hindware Snowcrest Air Coolers. With their unique changeable color panels, the air coolers are going to attract customers with their interesting amalgamation of style and technology.

Their distinguished slender and tall look, coupled with next generation features like digital display panel with remote controlled operation, anti-skid top cover, shut louvers and high air delivery make them stand class apart. The range of air coolers launched under - Desert, Personal and Window categories are available in fourteen models ranging from 18 liters to 100 liters. With a high air delivery rate of up to 3800 m³/hr., the series is engineered to consume less power and produce exceptional cooling comfort. The air coolers range start at INR 8,990 and goes up to INR 17,990.

Some of the key highlights of the air coolers are as follows:

Colour Changeable Front Panel

Elegantly designed panels can enhance the room decor with matching/contrasting colour options. The front panels are available in three colors- Premium Purple, Brick Red and Ice Grey.

Digital Display Panel with Remote Controlled Operation

This is available in select models with remote operation for fan, speed and timer control. The personal air cooler model comes with remote standing pocket.

Honey-Comb Pads

Fixed to the back and side grills, honey-comb pads ensure balanced cooling in a room. These low maintenance cooling pads are designed to absorb dust particles, are anti-deformative and anti-erosive thus ensuring a longer life

Anti-Skid Top Cover

Anti-slippery surface at the top provides additional grip storage for placing objects.

Ice Chamber

The ice chamber helps in faster cooling of the room.

Water Level Indicator

The water level indicator indicates the water level in the tank

Inverter Compatible

Additionally, these are inverter compatible as well facilitating life.
