## HSIL Limited Launches a New Range of Hindware Snow crest Air Coolers with changeable color panels

Keeping up with the tune of change, HSIL Limited recently launched their exclusive range of trendy Hindware Snowcrest Air Coolers. With their unique changeable color panels, the air coolers are going to attract customers with their interesting amalgamation of style and technology.

Their distinguished slender and tall look, coupled with next generation features like digital display panel with the remote controlled operation, anti-skid top cover, shut louvers and high air delivery makes them stand the class apart. The range of air coolers launched under – Desert, Personal and Window categories are available in fourteen models ranging from 18 liters to 100 liters. With a high air delivery rate of up to 3800m<sup>3</sup>/hr., the series is engineered to consume less power and produce exceptional cooling comfort. The air coolers range start at INR 8990 and go up to INR 17990.
